Dear Sir /Madam,

RE: MESSAGE OF THANKS AND APPRECIATION

On behalf of Bulangira Secondary School B.O.G. (Board of governors) the technical teaching staff and students.

I wish to extend to you our feelings and heartfelt message of thanks for visiting our school and also giving a package of material support for the construction of all structures in our school.

We are also extremely very happy for the idea of tusome project which was initiated by Tukolerewamu in our school indeed it's in line with the new curriculum of competence based. As a school, We adopted idea of tusome and as a result now we have fruit trees, line jack fruits, lemon fruit avocado trees, mangoes mention but not all.

We have also planted other trees in the compound and around school of different species.

We also developed banana plantation, potatoes and cassava projects, which could boost Teachers and students diet we believe. We shall continue with such projects.

The school enrolment of 316 and 20 teaching staff and 6 support staff.

class	Boys	Girls	TOTAL
S.1	46	41	87
S.2	34	28	62
S.3	53	44	97
S.4	41	29	70
Total	174	142	316

I am also glad to inform you that all 74 candidates who sat last year managed to score result (1) one according to the grading for new lower secondary curriculum.

Meaning all of them qualified to get certificates. We are indeed determined to do the same this year.

We wish you good time with us and when you go back deliver our greetings and happiness to our friends.

I wish you more blessings.

Thanks

Yours faithfully

.....
